~~CIA INTERNAL USE ONLY~~

TO: All Personnel of CIA

I feel confident you will share my pleasure in announcing the institution of a one-package annual campaign in the Agency to combine all our charity drives. The contributions realized from this single annual campaign will be equitably distributed among the various charitable organizations to which you have contributed in the past.

The campaign will be directed by the Consolidated Charities Committee which will be composed of representatives from my office and the three major components. Full details will be published in the near future.

In brief, the campaign will be conducted in September of each year with provision for payments during the months of September, October, and November. Your pledge card, listing the various charities which have previously appealed to us, will enable you to apportion your contributions according to your personal interests.

I am sure you will join me in giving the one-fund drive full support to insure the greatest possible success.

ALLEN W. DULLES
Director of Central Intelligence
